The range included:-

- Ancillary products
- Drilling and Downhole technology
- Enhanced recovery systems facilities management, maintenance and repair
- Fluid mechanisms and oil recovery processes
- Health, safety and environmental products and management
- Instrumentation and control technology
- LNG/LPG/GTL production technology
- Marine equipment and services
- Oil and Gas production equipment
- Offshore specialist technology
- Onshore specialist technology
- Pipeline products and services
- Pumps, valves, tanks and storage
- Reservoir engineering, evaluation, monitoring and testing technology
- Tools and power tools
- Well completion equipment
- Well logging and formation evaluation products and services

The Subsea Asia Conference and Exhibition

Following the last five successful editions of Subsea Asia, the conference and exhibition joins OGI to strengthen an already well respected and well attended event. The Subsea Asia conference will be the 12th technical programme run in Asia by the sectors leading association, Subsea UK.

The conference and exhibition will draw the worlds subsea experts together in Jakarta to discuss the latest developments and challenges related to Asia pacific subsea operations. Conference programmes in the past have included speakers from FMC, GE Oil and Marine, SMD.

Targeted visitor campaign

Oil and Gas Indonesia 2017 will be promoted through the ASEAN region via extensive targeted visitor promotion campaigns designed to reach the people that count.

- Personal visits to major oil producers and government ministries
- Strategic, targeted use of visitor tickets
- Direct mail campaigns to an extensively researched customer database
- An aggressive press campaign incorporating daily and weekly press advertising and editorial coverage

"Pamerindo has been very accommodating to KEI as first time exhibition participant. We will definitely join the next event and hopefully continue to grow our business together."

Mr Eddy Chandra, Sales Manager, PT. Karya Energi Indonesia

A PAMERINDO INDONESIA TRADE EVENT

OIL & GAS INDONESIA 2017

The venue

The **Jakarta International Expo, Kemayoran**, is a purpose built exhibition centre that offers some of the most up-to-date exhibition facilities available in South East Asia, making it Indonesia's premier exhibition venue.
